

Hello...

Itinerary for Legend Ski Trips: January - February 2018

Day 1:

We suggest flights that leave the UK around 07:00hrs, landing in Geneva around 09:30hrs. A Première Neige representative will meet you at the airport for your transfer up to The Peak chalet.

Please click [here](#) to see more about your accommodation. Only a stone's throw away from the slopes, the 5* chalet will be your home for the next few days.

On arrival at the chalet, you will meet the Legend Team including the likes of Will Greenwood and our fabulous local ski guides, French brothers Julien and Matthieu. The Première Neige staff will issue you with your pre-ordered ski hire and pass. Then it's time to don your snazzy Legend ski jackets and hit the slopes this first afternoon.

Day 2 & 3

For these two days, you will enjoy the hospitality of our ski /rugby legends and the wonderful chalet staff while experiencing some amazing skiing! Julien and Matti will show you all the hidden gems of Sainte Foy including a torchlight ski back to the chalet after dinner in the mountains, as well as a helicopter ride to Val D'Isère for an unforgettable afternoon in the La Folie Douce!

(If you choose to take the 4 night option, you will have an extra day here to enjoy more great skiing in Sainte Foy.)

*Although we're good at organising everything, we haven't mastered organising the weather – so skiing itinerary is dependent upon weather conditions.

Day 4:

You will be able to ski in the morning before taking a transfer back to Geneva Airport for your return flight home.
